Steps to complete an online waiver with coverage outside of the United States/
National Health Plans

Student Health Insurance Plan can ONLY be waived with foreign insurance if you are studying outside of the United States and coverage must be comparable to the Student Health Insurance Plan in the country where you are located while learning during that entire term (e.g., 8/1-1/31 or 2/1-7/31). Your registration status must be confirmed with your school before your waiver can be approved.

Waiving with other foreign insurance

1. **SELECT “Other”** as the Insurance Name from the drop down list:

2. **SELECT the Country** from the drop-down list before completing the rest of the fields
3. **COMPLETE the rest of the required fields** to submit your waiver. Note that the insurance policy ID number will be required in order to complete the application. Be sure to submit your waiver prior to logging out.

**Waiving with national health coverage**

1. **SELECT “National health care-foreign remote learning abroad”** as the Insurance Name from the drop down list:

2. **The fields will auto populate**

3. **Complete the rest of the fields – that apply**
4. SELECT the **Country** from the drop-down list

4. If your country uses a national ID number update the policy number field, otherwise leave this field as is—this is not a required field.

5. Be sure to submit your waiver prior to logging out.

An email will be sent immediately to the email addresses provided after submitting your waiver online. If you need any further assistance please contact our office.
