

DOWNLOAD THE MYBLUE APP TO ACCESS YOUR DIGITAL ID CARD

Every time you receive medical care or fill a prescription outside of Harvard University Health Services (HUHS), you'll need to show your Student Health Insurance Plan member ID card. Since you won't be sent a physical card by mail, you can download the MyBlue app* to access a digital version of your card.

HOW TO GET STARTED

- 1 Download the MyBlue app from the App Store® or Google Play™.
- 2 Click **Register Now**, and enter your name, email address, date of birth, and Blue Cross member ID number. If you don't know your member ID number, you can find it at student.huhs.harvard.edu.
- 3 Verify your account by entering your student ID number. You'll then receive a verification code by email or text.
- 4 To complete your registration, enter the verification code.

HOW TO USE YOUR DIGITAL ID CARD

After you sign in to the MyBlue app, you can save your digital ID card to your phone for easy access, or email a PDF of the card to your doctor.
