

Policy Title:	Pending Enrollment Waiver
Issuer:	Harvard University Student Health Program
Policy Year:	AY2021-22

Pending Enrollment Waiver Policy

ATTENTION: This policy does not apply to students who have active coverage now and expect to switch to another insurance plan mid-term. Those students should submit an online waiver with their active plan then complete an Insurance Update Form once the enrollment is finalized.

Policy Statement

This policy is for students who plan on waiving, but their insurance coverage will not become effective until sometime between August 1 and October 1 (fall term), or February 1 and March 1 (spring term). In these cases, you may not have the necessary information to complete the online waiver by the applicable deadline, but want to complete an application for the semester/year. **This policy does not apply to Extension School students.**

Policy Details

Students who will be enrolled in a health plan with a coverage start date on or before October 1 for the fall term or on or before March 1 for the spring term may be eligible for a partial waiver. Based on the date the comparable coverage is effective, you will be charged for one or two months of the Student Health Insurance Plan (SHIP) if applicable, and will be allowed to waive for the remainder of the term(s). All waiver eligibility rules still apply. See table below.

If the student's private plan's coverage effective date occurs on/between:	The student will be assessed the following charges:
Fall Term	
August 1	No charge: Insurance premium refunded in full to the student's account
August 2 - September 1	One month of the Student Health Insurance Plan coverage
September 2 - October 1	Two months of the Student Health Insurance Plan coverage
Spring Term	
February 1	No charge: Insurance premium refunded in full to the student's account
February 2 - March 1	One month of the Student Health Insurance coverage
All pending enrollment waivers submitted <u>after</u> the waiver deadlines will be assessed a late fee in addition to the prorated insurance premium. The full cost of the Student Health Insurance Plan will remain on your student account until you have completed all of the necessary steps for a pending enrollment waiver.	

All steps in the "Action" column will need to be completed before the application is reviewed!

Frequently Asked Questions

What happens after the pending waiver application has been submitted?

You will receive an email confirming your application was received. Retain a copy of this email for your records. The application will remain on-hold until all three steps have been completed.

Note:

The review process can take up to 15 business days.

Login to the student portal to:

- Check the status of your waiver
- Review what information is needed to complete your waiver

What happens after the SHIP application is processed?

If the application is approved

- An approval email will be sent to your official student email and the alternate address provided through the waiver application
- The Student Health Insurance Plan charge is removed from your student account within 2-3 business days of receiving the approval email
- A one or two month charge for the Student Health Insurance Plan will be added to your term bill when applicable

Example Scenario

If the document provided indicates your health insurance coverage started on **August 15**, and you have completed all three steps, the waiver application will be approved and a prorated charge for the month of August will be applied to your student account.

If the Pending Waiver application is denied

- A denial email will be sent to your official student email and the alternate address provided through the waiver application
- You will be responsible for the full cost of the Student Health Insurance Plan

What happens if I do not complete all three steps by the deadline?

- A denial email will be sent to your official email and the alternate email address provided through the waiver application
- You will be responsible for the full cost of the student health insurance plan.

Note:

If your insurance coverage starts after October 1 (fall term) or March 1 (spring term), the waiver application will be denied.
